Player Misconduct

The Ottawa Carleton Soccer League (OCSL) will be handling Level 1 discipline as detailed in the attached chart. All other discipline will be referred to Ontario Soccer (OS). This is a summary of the OCSL procedures. More information can be found on the Ontario Soccer Association website under Governing Documents, Section 12 – Discipline.

Discipline will be conducted by either Discipline by Review (DBR) or Discipline by Hearing (DBH). Most misconducts that are handled by the OCSL are conducted as DBR unless the player requests a hearing. In the below chart, each misconduct is labeled as to what procedure is followed.

Discipline by Review?

Discipline by Review is the method of determining the discipline for a misconduct. Discipline by Review or DBR, is done by a panel of a minimum of 3 members. This panel reviews the misconduct report and determine if the charge is correct. If the charge is correct and no hearing is required, then they render the penalty. If the misconduct and subsequent charge is one that requires a hearing, the panel will take the necessary steps to schedule a hearing.

Once a decision has been made, the panel will contact the Club and Team Officials of which the player is registered. It is the responsibility of these officials to inform the player of the result. This notice will include the exact offence that has been committed, the penalty for the offence and the dates of the suspension, if required. Discipline by Review decisions cannot be appealed.

Except in the cases of misconducts 1.13, 1.14, 1.14A, 1.3, 1.5 and 1.6, a player can request a Discipline by Hearing.

Discipline by Hearing?

Discipline by Hearing is the review of the misconduct and the rendering of penalty by a panel of a minimum of 3 members, with the attendance of the player accused of the misconduct. This allows for the player to state their story for the panel. The player and club representative are required to attend the hearing. They may provide witnesses as well. The chair of the panel must have the OSA's Discipline and Appeals Chairs Course.

A player may request a hearing for any offense 1.13, 1.14, 1.14A, 1.3, 1.5 and 1.6. There are some offences that are automatically assigned DBH. To request a hearing a player must submit, in writing, no more than 72 hours after the incident. There is a \$100 fee that must be submitted with the request. This fee can be paid to the OCSL office via cheque, or by e-transfer to manager@ocslonline.ca. This fee is refunded if the player is found not guilty or the charge is downgraded.

Ottawa Carleton Soccer League

web site: www.ocslonline.ca fax: 613 233-6051 e-mail: manager@ocslonline.ca

A player may plead guilty to a misconduct and forgo a hearing. This plea must be received no later than FOUR (4) days before the hearing and must be in writing. In doing so the party accepts the maximum penalty applicable. The decision cannot be appealed.

If a player does not attend the hearing, the player will be suspended until they attend one. They must request to schedule a hearing and will be charged a \$100 administrative fee.

Request for Postponement

Any party required to attend a hearing may request ONE (1) postponement of a hearing. The party must submit a written request which must be received by the OCSL office no later than FOUR (4) days prior to the date of that hearing, stating the reason for requesting the postponement. All such requests must be accompanied by a \$50 administrative fee. Should the request be denied, the fee shall be refunded. The OCSL shall have full discretion to refund the "Request for Postponement Fee" if sufficient reason warrants such action.

Any Match Official required to attend does not have to pay the "Request for Postponement Fee" unless he/she is the accused.

If criminal charges are laid because of any incident that occurred in a game or in the vicinity of the game's venue after the game, the case shall proceed in accordance with "Governing Documents", unless the accused requests a postponement of the hearing. Such "Requests for Postponement" shall be granted, but the accused shall remain suspended from all soccer related activity until his/ her case is dealt with by the Discipline Hearing Panel.

Appealing a Decision

A Discipline by Review decision cannot be appealed. A Discipline by Hearing decision may be appealed to OS. To appeal the decision of the OCSL, a letter of appeal must be submitted to OS. The letter of appeal must specify your rationale for appealing the decision of the OCSL. Your rationale must include:

1. New facts not available when the OCSL decision was made or not available at previous hearings;
2. Specific procedural errors made by the OCSL or at previous hearings;
3. Specific instances where Articles and Rules have been wrongly interpreted by OCSL or at previous hearings.
4. Alleged excessive fine, fee, bond, or suspension.

Failure to provide an adequate rationale will result in your appeal being ruled out of order and disallowed. The appeal shall be submitted in writing by registered mail, recognized Courier Service or by hand delivery to:

When hand delivered, it must be received at the OS office no later than FIVE (5) working days from the receipt of the written decision rendered by the OCSL. In cases of a disputed delivery date regarding appeals submitted by hand delivery, it is the responsibility of the Appellant to prove which date that the appeal was received at the OS Office.

A copy of the letter of appeal may be sent by registered mail, recognized Courier Service, or by hand delivery to the OCSL, however, it is the responsibility of OS to advise all relevant parties of the appeal and to provide them with a copy of the appeal.

The appeal to the OS Discipline and Appeals Committee must include: a letter of appeal; the appeal fee of seven hundred and fifty dollars (\$750.00) by cheque or money order; as well as a copy of the decision being appealed.

If the appeal is upheld, the appeal fee shall be refunded.

Penalties for Misconduct

Below is the chart listing the various misconduct charges and their penalties. As well it is noted if the charge is DBR only, Requested DBH or Mandatory DBH. Most misconduct charges have the penalty of a suspension as well as a \$50 administrative fee. Individuals who have been issued a notice of suspension must follow the instructions regarding which games to sit out. A player must wait for this notice to serve the suspension. Any mistakes as to which games to sit out will be the fault of the player and team.

The notification of player suspension(s) will indicate the number of games and the game number that the player is under suspension for. The game numbers specified on the notification are the assigned games and must be served accordingly. In the event that one of the assigned games is to be rescheduled, the player will still be required to sit the assigned game number.

He/she (or their Club) shall be levied an administrative fee of \$50.00 for each misconduct that results in a suspension (per the attached chart). Failure to pay will result in the individual remaining under suspension until the administrative fee is paid. Players who resume play without paying the \$50.00 administrative fee are considered 'ineligible' and are subject to disciplinary actions.

Team Misconduct

Card Accumulation

Teams receive points based for each yellow and red card they receive. Points are allocated based on what the infraction (see 'Yellow Point Table' and 'Red Point Table' on page 2). The total number of points a team receives is divided by number of games they played, giving each team a 'Team Discipline Score'.

$$(Total\ discipline\ points) \div (number\ of\ games\ played) = Team\ Discipline\ Score$$

There are five (5) categories of play – Premier, Competitive, Men's and Women's Rec, Oldtimers and Masters.

Each category has three (3) levels of performance bonds. Teams that finish the season with a discipline score in any of the ranges below will be required to attend a 'Team Misconduct Meeting' at the end of the season.

	\$500-1,000 Bond	\$1,000-2,000 Bond	\$2,000-4,000 Bond
Regional (MP & WP)	2.40 – 2.64	2.65 – 2.99	>3.00
Competitive (MC & WC)	2.10 – 2.34	2.35 – 2.69	>2.70

The purpose of meeting is for teams sit down with the discipline panel to discuss what happened during the season, and what steps they will take to mitigate the group's discipline the following season. This discussion, along with the team's discipline score will be factored in when the discipline panel sets the performance bond. Teams that finish within a specific range will receive a performance bond. Failure to attend the meeting will result in teams being issued the max performance bond for that level.

Halfway through the season, the league will reach out to teams that are projected to meet or exceed any of the thresholds outlined above. At any point during the season, teams may request their discipline score from the league.

Section XVI, Article 3, states that: “Clubs/teams must notify the OCSL office in writing at least 24 hours prior to the scheduled kick-off time if they are not able to field a team. Otherwise, they shall be fined. Defaulted games will not be rescheduled.”

Any team which fails to field the allowable minimum number of players within 20 minutes after the scheduled kickoff time shall be considered to have failed to appear and they shall default the game. Defaulting team(s) shall be subject to fines. In district competitive and recreational the score will be recorded as 2 - 0 for their opposition, and in regional the score will be recorded as 3-0 for their opposition.

If both teams fail to appear, both teams will be subject to corrective action. There shall be no points and no score for the game, but each team will have one loss added to its record.

Game Sheets

Failure of a team to properly fill in a game sheet as noted above will result in the team being subject to corrective action.

The OCSL Constitution Section XII, Article 1, states:

“OCSL Game Sheets (signed by the designated coach present at the game) with attached permits, etc, must be provided to the game official prior to the start of the game. These sheets must contain a hand printed or typed list of all registered players’ full names (first and last names) together with their shirt numbers and game related information (Division, Date, Team Names, and location etc). Any player listed but not in attendance must have a line through their name or he/she is deemed to have played that game. Any player under suspension must have the word “suspension” printed besides his/her name on the game sheet or he/she is not considered to have sat out the game. Failure to identify players under suspension may result in disciplinary action by the OCSL.”

Club Misconduct

Each Club is responsible for the conduct of their players, coaches, administrators, and spectators (OSA Discipline Policy 5.2).

Clubs are responsible for ensuring that coaches and players are made aware of the above information. They must also be aware of this information and the discipline status of their players and other Club officials.

5) Any team playing a player not registered in accordance with the OSA Published Rules or one who is ineligible to compete at the level of the team, or a player who is serving a “time suspension” as a player or from all soccer activity or is specifically suspended for the game(s) in question shall forfeit all games in which he/she participates.

6) Any team playing an ineligible player under the name of one of its registered players will be subject to the above fine as well as possible expulsion from the League Competition

Any player listed on the game sheet is deemed to have played in the game, except if a line is struck through the player’s name or the words “suspended”, “suspension” or “under suspension” are written beside the player’s name. Where a suspended player’s name appears on the game sheet without the above notation the player will not be able to claim that he/she sat out a game of his/her suspension.

Any team playing such an ineligible player will be subject to corrective action in addition to the forfeiture of points. The case will be referred to the OS, which will impose further penalties as warranted against Club and Team officials as prescribed by OS discipline regulations.

Further to the OSA Policies and Guidelines, proof of registration (i.e., player IDs) must be available to be checked prior to every game. The checking of player cards by the referee is mandatory prior to kickoff for all OCSL games. Teams and coaches must allow sufficient time prior to the game starting to facilitate this verification process and not cause a delay in the start of the game.

Teams playing without the required player cards will be subject to corrective action in addition to the forfeiture of points. Any player without a valid player card and /or permit (if applicable) **CANNOT PLAY**; such players must change out of their uniform or leave the playing area.

Games should not be played and will not be rescheduled if player cards are not at the field. Games not played because of player cards not being present at the game could result in the offending team being fined as previously stated and a win being awarded to the other team.

If the legitimacy of any player card or permit presented at the field is questioned, it should be noted by the referee, and the player concerned **MUST SIGN THE GAME SHEET** and the matter will be looked into by the League office upon receipt. Discipline action and fines may be assessed as required.

Players who arrive after the start of the first half, but before the second half starts, may play in the game, however they must show their ID to the match official at halftime. Players that have not shown their ID when the second half begins render the player ineligible.

Please note that referees have the right to refuse to officiate a game where player cards are not present. The referee will submit a special incident report in this regard and possible discipline action may be taken against both teams as deemed necessary.

A zero-tolerance approach will be applied to players, coaches, and teams who fail to follow the OCSL’s ID Checking Procedures. Fines and/or other disciplinary measures will be applied.
